

December 2023

Since 1920, Girl Scouts of Utah has delivered programming to thousands of girls in grades K-12 throughout the state of Utah. Girl Scouts is the preeminent leadership organization for girls; our research-proven programming cultivates important skills that girls need to take the lead in their own lives—and the world.

Your gifts to Girl Scouts of Utah enable Utah girls the opportunity to participate in enriching experiences in our four program pillars of STEM, Outdoors, Life Skills, and Entrepreneurship.

In 2023, your gifts helped support:

- 371 volunteer-led troops and 6,457 girls
- 811 Girl Scouts in our Outreach Program
- 18,391 earned Girl Scout badges

Additionally, thanks to your generosity, we delivered programming from one of our four pillars to over 6,000 Girl Scouts, and 131 of our girls earned their Gold, Silver, or Bronze Awards, benefiting more than fifty community non-profit organizations and causes through sustainable Take Action projects.

We have big plans for 2024. Through the Char Corbit Campership Fund, we will continue to provide Camperships to girls who would otherwise not be able to experience camp. STEM programming is a top priority, as well as offering girls *The Gift of Girl Scouts* (assistance with membership fees).

Your commitment to Girl Scouts of Utah has made a terrific impact on our community. Would you please consider a gift to help us continue to build girls of courage, confidence, and character, who make the world a better place?

With kind regards,
